**Re: United States v. Anett Rodrigues
22 Cr. 391 (PMH)**

Dear Judge Halpern:

I am writing, with the consent of the Government, to seek an extension of time of one week to file pretrial motions in this case. Motions are presently due on July 28. If this request is granted obviously we would agree that the deadline for government's response and our reply be extended by one week.

The research and drafting of the motions has been a very time consuming process and the issues being raised are not routine and are in fact very unique and complex. Despite extensive work that has been undertaken it has been difficult to complete the motions to date.

Thank you for the Court's consideration of this request.

Respectfully submitted,

Kerry A. Lawrence
